

New Packing Declaration

As we sent email earlier in February, please remember that the Packing Declaration format has changed and all consignments shipped on or after 1st July 2018, must be accompanied by the new format and meet the revised requirements.

Australian Government
Department of Agriculture
and Water Resources

New Packing Declaration ~ 1st July 2018

The Department of Agriculture and Water Resources (Quarantine) have advised that bamboo packaging is acceptable provided it's treated by an approved method prior to export or on arrival and does not need to be declared as unacceptable packing. Therefore the previously accepted packing declaration format is no longer acceptable and the revised consignments specific and annual packing declarations implemented.

Please click on the following link to view the NEW packing declaration statement which makes reference to bamboo packaging.

Call us on 1800 300 904 to discuss how we can add value to your business model for the full complement of logistical services inclusive of international ocean and air freight services, customs brokerage, transport, Customs and Quarantine, 3PL, warehousing & distribution.

New Packing Declaration ~ 1st July 2018

<http://www.freightmart.com.au/useful-documents>

The current packing declaration will continue to be accepted until 30th June 2018, thereafter the new form must be adopted. Freight Mart International recommend that you inform your suppliers and

implement the new packaging declaration effective immediately to avoid any unnecessary delays to the clearance and delivery of your orders.

Should you have any questions, please do not hesitate to contact myself, the customs department or your Freight Mart representative.
