New Office in Bangkok Opens to Expand Network in South East Asia

September was an exciting month for the Freight Mart International team with the official opening of our Thailand office in Bangkok.

Our customer's requirements throughout South East Asia have been the driving force to further expand the network and service capabilities by opening the Bangkok branch. Following on from the ongoing success of our Malaysia office, our friendly Bangkok team look forward to offering further support and

assistance to our customers from this region.

Taking this opportunity to welcome the newest members to the Freight Mart Team, bringing experience and knowledge to provide you with a complete range of end-to-end logistics services inclusive of international ocean and air freight services, customs brokerage, transport, Customs and Quarantine and will focus on delivering exceptional customer service.
