

Planning and Holiday Trading Hours

With the Christmas holidays approaching fast, we would like to inform you about the Freight Mart International operating hours during this period and recommendations for shipments during this time.

Holiday Season Planning

Freight Mart International would like to recommend that our customers plan all orders and shipping arrangements in advance to allow for any rate changes, congestion or delays which may impact orders arriving during the Christmas / New Year holiday period.

Carrier notifications have yet to be released regarding any vessel sailing omissions or slow sailing vessels during this time, however we will keep you up to date once this information is released by the Shipping Lines.

Please ensure to provide our Customs Brokers with all your documentation in a timely manner to assist our team to complete and ledge all entries either side of the National Holiday dates.

Please do not hesitate to discuss your requirements with your Freight Mart International representative.

Call us on 1800 300 904 to discuss how we can add value to your business model for the full complement of logistical services inclusive of international ocean and air freight services, customs brokerage, transport, Customs and Quarantine, 3PL, warehousing & distribution.
